ABOUT THE INSTRUCTOR & CLASS

Sensei Tammy Pfrang is a 3rd Degree Black belt trained in Okinawan style and progressive karate do'. She began her training in Okinawa, Japan and now has over 30 years as a karate practitioner and competitor. Many of those years have been spent training and teaching youth and adults. Sensei Tammy teaches in a traditional style with honor, integrity, respect, self-discipline, and goal setting/achieving at the center of her teachings. She is passionate about teaching karate in a relational way. Students should expect to receive knowledge and guidance to not only accomplish karate goals, but also life goals.

Students will learn respect of others and themselves. Students will learn to set goal and work hard to achieve them. This class will provide a positive peer group in an atmosphere of humility and respect. Students will learn to continually establish the proper kind of self-confidence to not be a victim of violence/bullying through problem solving without fighting. Physical skills taught in karate are only to be used in self-defense situations.

The Paxton Park District is committed to conducting its recreation programs and activities in the safest manner possible and holds the safety of participants in the highest possible regard. Participants and parents registering their child in recreation programs must recognize however, that there is an inherent risk of injury or death when choosing to participate in recreation activities. The Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions which have been designed to protect the participant's safety.

Please recognize that the Paxton Park District does not carry medical accident insurance for injuries sustained in its programs. The cost of such would make program fees prohibitive. Therefore, each person registering themselves or a family member for a recreation program/activity should review their own health insurance policy for coverage. It must be noted that the absence of health insurance coverage does not make the Park District automatically responsible for the payment of medical expenses.

Due to the difficulty and high cost of obtaining liability insurance, the agency providing liability coverage for the Park District requires the execution of the following Waiver and Release. Your cooperation is greatly appreciated.

WAIVER AND RELEASE OF ALL CLAIMS FROM PAXTON PARK DISTRICT
