

Youth Soccer Team & Individual Photo Day

On Saturday, May 4th all U6-U12 Paxton soccer teams will be taking their individual and team photos. The photographer will be located near the largest soccer field (in between the maintenance shed and the U8 field).

Parents and family members will not be filling out forms nor paying for the photos. Each child (and team) will get their photo taken. After an editing period all photos will be uploaded online and a link will be send to the Park District. The Park District will then email out the photo link to all players.

Below, please find your team's schedule photo time:
