

PAXTON PARK DISTRICT – YOUTH PARTICIPATION WAIVER

The Paxton Park District is committed to conducting its recreation programs and activities in the safest manner possible and holds the safety of participants in the highest possible regard. Participants and parents registering their child in recreation programs must recognize however, that there is an inherent risk of injury or death when choosing to participate in recreation activities. The Park District continually strives to reduce such risks and insists that all participants follow safety rules and instructions which have been designed to protect the participant's safety.

Please recognize that the Paxton Park District does not carry medical accident insurance for injuries sustained in its programs. The cost of such would make program fees prohibitive. Therefore, each person registering themselves or a family member for a recreation program/activity should review their own health insurance policy for coverage. It must be noted that the absence of health insurance coverage does not make the Park District automatically responsible for the payment of medical expenses.

Due to the difficulty and high cost of obtaining liability insurance, the agency providing liability coverage for the Park District requires the execution of the following Waiver and Release. Your cooperation is greatly appreciated.
